

Second Sight Solutions – MFP Platform Privacy Policy

This Privacy Policy describes how Second Sight Solutions, LLC and its affiliates (“Second Sight,” “Company,” “we,” “us,” “our”) use, disclose, and otherwise process personal information that we collect online and offline about users of our website portal hosted at mfp.beaconchannelmanagement.com and associated web pages (our “Websites”) and the MFP Platform offering made available therein (collectively, the “Platform”). The Platform is intended for use by persons located in the United States.

Participating Pharmaceutical Manufacturers (“PPMs”) marketing pharmaceutical brands subject to the Inflation Reduction Act’s Medicare negotiated pricing have enlisted Second Sight’s Beacon MFP to process, validate, and facilitate funding for payment of Maximum Fair Price rebates (“MFP Rebates”). Beacon MFP enables Dispensing Entities who receive these MFP Rebates to view the status of this processing and payment, submit inquiries related to MFP Rebates, and provide information to Beacon MFP to support resolution of any inquiry. For additional information about the MFP Platform, please see our Beacon MFP Support Center, available online at www.mfp.beaconchannelmanagement.com/pages/support-center.

This Privacy Policy also does not cover the personal information that we collect about Company employees or job applicants or contractors engaged by the Company.

For additional information about the privacy choices you have regarding your personal information, please review the Your Privacy Choices section below. If you are a resident of California, please refer to the Additional Information for California Residents section below for information about the categories of personal information we may collect and your rights under California privacy laws.

By using our Platform, you agree that your personal information will be handled as described in this Privacy Policy. Your use of our Platform and any dispute over privacy is subject to this Privacy Policy and the MFP Platform Terms of Use, available at mfp.beaconchannelmanagement.com/pages/terms-of-use, including applicable terms governing limitations on damages and the resolution of disputes.
